CLAIRVOYANT

Dedication

We, the students, proudly dedicate our 1962 Clairvoyant to Mrs. Janet Paajanen, homemaking teacher at St. Clair High School. We wish to express our sincere thanks for the help and guidance she has given us in the past. We love her for her fairness, for her sincere interest in our problems and progress, and because of her unselfish and untiring service and kindness, we feel we will be better citizens in this world tomorrow.

Mrs. Paajanen recieved her bachelor of Science and teaching certificate from Eastern Michigan University and has done graduate work at Michigan State University.

She has been class advisor and sponsor for the Future Homemakers of America. She has taught in Springport, Battle Creek, and Lake Orion before coming to St. Clair where she has taught for the past six years.

Exchange Student

"Gitta" Joost was one of the young people who attended schools in the United States during the 1961-62 school year on the Youth for Understanding program.

"Gitta" was active in the Honor Society, Mu Alpha Theta, and the Student Council. She was also on the "Echo" staff, in the Debate Club Senior play, and Great Decisions group.

All of the students at St. Clair High School enjoyed and profited from having "Gitta" at the school. We hope that this program will be continued so that we may "understand" peoples of all nations.
